

NEWSLETTER

Friday 5th February 2021

Welcome to our new weekly newsletter. This is a chance for us to share all the exciting things that are happening at Caldew Lea School.

EYFS have been doing some wonderful experiments mixing colours. KS1 have been thinking about what makes them 'Super Duper'. They have also started looking at The Great Fire of London. Can anybody tell me the year it started?

It has been very busy in the hub this week. Due to the larger number of children in the hub the children have been split into two groups, an EYFS/KS1 and a KS2 group. EYFS/KS1 pupils have been completing practical Maths and English activities. KS2 children have been taking part in their online classes and talking about how to look after their mental health.

If you have walked past the school on Leatham St in the last few weeks, you may have seen the toys changing in Mr Clulow's classroom windows. Next week will be the last week: it would be lovely to see some of your toys in your windows at home.

Assembly Winners

Well done to this week's winners:
