Friday 26<sup>th</sup> February 2021

Welcome back after half term - it has been a very busy and productive week. We would like to say a huge 'thank you so much' to all the pupils and families who are continuing with their home learning and posting it to teachers: it really is fantastic to see their work and smiling faces. One more week to go! – keep it up.

This week in Early Years they have been learning about the 4 seasons and designing outfits to wear. They have also read the story Jasper's Beanstalk which inspired them to grow their own plants.

In Year 4/5 pupils have been working hard to understand tenths and hundredths in Maths. Pupils have been creating their own persuasive writing and also studying Sir Isaac Newton in Science.

Year 6 have been looking ahead to school reopening. Pupils have discussed their fears and anxieties and designed their own affirmation posters to remind them how strong they are.

All of the Caldew Lea School staff are tremendously excited to see the pupils back on Monday 8<sup>th</sup> March. However, before this we still have lots to do at home. On Thursday, we have World Book Day to celebrate. Look out for lots of fun and imaginative World Book Day activities next week.
